CHAPTER VIII (E)

CONDITIONS OF SERVICE AND CONDUCT OF TEACHERS
IN NON-GOVERNMENT AFFILIATED COLLEGES

1. In these regulations -
   (i) 'college' means a college under private management affiliated to this
       University.
   (ii) 'teacher' shall include, Principal, Director of Physical Education, Tutor,
       Demonstrator, Instructor and Librarian in the service of a non-Government
       college affiliated to this University.

(ii) SERVICE RULES

2.1. The appointment of teachers in a non-Government college affiliated to the
      Panjab University shall be on a written contract as per form prescribed by the University
      from time to time (prescribed form given in Vol. III of the Calendar).

      Vacancies against permanent posts shall ordinarily be filled substantively within
      three months.

      After an institution has been in existence for three years, not more than one-fifth
      of the number of teaching staff shall be on temporary basis.

2.2. Every teacher in an Arts and/or Science college shall be paid at least the
      minimum pay-scale as laid down by the University.

2.3. A teacher will ordinarily be appointed on one year's probation after which he will
      normally be confirmed if his work and conduct are found satisfactory. It would be obligatory on
      the part of a Governing Body to notify to the teacher in writing before the expiry of one year's
      probationary period, whether he had been confirmed or his period of probation had been extended and in absence
      of such a notice the teacher would be deemed to have been confirmed.

      The probationary period shall in no case be extended beyond two years from the
      date of appointment.

3.1. No teacher shall be required to teach for more periods than the number laid
      down by the University; in addition, he shall undertake such co-curricular activities as may
      be assigned to him by the Principal.

3.2. If a teacher is given some extra teaching work temporarily, he shall be paid an
      allowance for the additional work according to the rates as may be determined by the
      Syndicate from time to time.

4.1. Every teacher shall be paid his salary regularly, but in no case later than the
      10th of the month following that for which salary is due.

4.2. Annual increments shall be granted by the Governing Body to each teacher on
      the recommendation of the Principal and to the Principal on the recommendation of the
      Chairman of the Governing Body. Annual increment shall not be withheld without assigning
      any specific reason in writing and in case the Governing Body does not revise the order
      within 15 days of the teacher/Principal's representation, he shall have the right of appeal
      to the Vice-Chancellor.

      Annual increment shall be given to every teacher on the 1st day of the month in which it
      falls.

4.3. A teacher appointed temporarily or on probation shall be entitled to summer
within a week to the Registrar who may direct that the teacher shall not be placed under suspension.

9.3. The period of suspension shall not exceed three months within which the case must be decided.

9.4. During the period of suspension the suspended teacher shall be paid half the pay plus allowances as subsistence allowance.

9.5. If ultimately the teacher is removed from service, notice for such removal shall not be required nor will any salary be paid in lieu thereof.

10. If a Principal/Teacher including the one appointed temporarily or on probation is dismissed or removed from service, the college shall send an intimation in the University, giving reasons, etc., within two weeks.

11.1. A permanent teacher may, at any time, terminate his engagement by giving the Governing Body three months' notice in writing or three months' salary in lieu thereof.

11.2. During the period of probation and when a teacher is holding a temporary appointment, the notice period required on either side shall be one month.

11.3. The period of summer vacation shall count towards notice period, and the salary in lieu thereof shall not be in addition to the summer vacation salary, but the teacher shall be entitled to the summer vacation salary, as admissible under the rules, or salary in lieu of notice period, whichever is higher.

12.1. For the benefit of the employees every college shall establish a Provident Fund for which it shall follow the general pattern of the Provident Fund Rules as may be laid down by the Syndicate.

12.2. Every whole time employee of the college appointed against a substantive post, shall, as a condition of his service, be required to become a depositor in the college Provident Fund.

*12.3. The rate of subscription of an employee shall be 10 per cent of his +salary. He may, however, be permitted to subscribe towards non-contributory Provident Fund, provided the total subscription towards Provident Fund, i.e., contributory (10 per cent) as well as non-contributory shall not exceed 60% of the monthly +salary of the subscriber.

The contribution of the college towards the Provident Fund of a teacher shall be 10 per cent of his +salary and this shall be contributed at the end of each month. The college shall pay interest and the amount of such interest shall be placed monthly in the credit of each depositor.

When the calculation involves paise amounting to less than 50 it shall be ignored and when it amounts to 50 paise or more, full rupee shall be deducted.

Provided that where a higher rate of Provident Fund contribution already prevails, it shall not be reduced without the consent of the University.

The monthly rate of +salary of a teacher during any college year shall be taken to be that at which he draws +salary for the month of the college year.

N.B. - The College year is from 1st April to 31st March.

13.1. In addition to the benefits of the Provident Fund a teacher at the time of retirement shall be granted by the Governing Body, a gratuity of a sum equivalent to one fourth of his **'Pay'** last drawn for each completed six monthly period of qualifying

---

* To take effect from the year 1964-65.
+ Salary (or CPP deductions) means 'Pay' plus all allowances, excluding house rent allowance.
** 'Pay' as defined by the Punjab Govt. from time to time.
service subject to 16 1/2 (sixteen and half) times the "Pay" provided that in no case
gratuity shall exceed the amount as fixed by the Punjab Government from time to time for
its employees.

In the event of death of a teacher while in service the gratuity shall be subject
to a minimum of 12 times the "Pay" of the teacher drawn at the time of his death provided
that in no case shall it exceed the amount as fixed by Punjab Govt. from time to time for
its employees.

(ii) A teacher shall have the option to be governed by the old provisions unless
he opts to be governed by the new Regulations within one year from the date the amended
regulations come into force.

13.2. A teacher who has put in not less than 20 years' qualifying service may,
giving three months' notice in writing to the appropriate authority be permitted to retire
from the service voluntarily. The appropriate authority may in special cases reduce or
waive the period of notice.

13.3. A notice of voluntary retirement may be withdrawn subsequently only with
the approval of the appropriate authority provided the request for such withdrawal is made
before the expiry of the period of notice.

13.4. A notice of voluntary retirement, given after completion of 20 years' qualifying
service will require acceptance by the appropriate authority if the date of retirement, on
the expiry of the notice would be earlier than the date on which the employee concerned
could have retired voluntarily under the existing provisions of Regulations. Such acceptance
may generally be given in all cases except those (a) in which disciplinary proceedings are
pending or contemplated against the teacher concerned for the imposition of a major
penalty and the disciplinary authority having regard to the circumstances of the case, is
of the view that the imposition of the penalty of removal or dismissal from service would
be warranted in the case; or (b) in which prosecution is contemplated or may have been
launched in a court of law against the teacher concerned. If it is proposed to accept the
notice of voluntary retirement even in such cases, approval of the Governing Body shall
be obtained. Even where the notice of voluntary retirement given by a teacher requires
acceptance by the appropriate authority, the teacher giving notice may presume acceptance
and the retirement shall be effective in terms of the notice unless the Governing Body
issues an order to the contrary before the expiry of the period of notice.

13.5. While granting gratuity to a teacher retiring voluntarily, weightage of up to
five years would be given as an addition to the qualifying service actually rendered by
him. The grant of weightage of up to five years will, however, be subject to the condition
that the total qualifying service after allowing the weightage should not exceeding years of service.

Explaination: Qualifying service means continuous service rendered to the College by
a teacher other than in a temporary or ad hoc capacity.

(ii) LEAVE RULES

14. A leave account shall be maintained by the Head of the Institution.

15. A teacher shall be entitled to leave as per rules in the University Calendar.
