(Handwritten notes)
A meeting of IGAC, GGH Khalsa College, Guruan Sadhar (Jullhiana) was held on 04.07.2016 at 11:30 AM in the office of IGAC under the Chairmanship of Dr. S.S. Deep. Principal. Minutes of the last meeting held on 16.04.2016 were readout and confirmed.

The following points were discussed in the meeting:

1) Special stress was given to boost admission process during vacations. Regular duties were performed by the staff committees comprising representatives of all departments.

2) Expressed satisfaction about the outcome of continuous efforts of all departments in the field of achieving the better. It was advised further to lay more stress on quality education through the integrated efforts of all departments and sections of the College.

Three for the following measures and steps were advised for planning of the session 2016-17

a) To get appropriate furniture for academic classes and for practicals also.

b) ‘ERP’ software installation possibilities be explored to streamline the data base and regular academic, administrative and financial functioning of the college.

c) It was advised to update ‘Smart Class Rooms’ and even more classes and departments.

d) Placement drives should be conducted on campus.
On off campus sites by exploring more possibilities in different fields.

(c) Successful conduct of INSPIRE Camps give us the hope and scope of further increasing the efforts to have more such camps.

(f) Research activities must get special attention on the individual level and at departmental level.

(g) As Commerce is getting parents attention and we are running Post Graduation courses in Commerce, we should apply for +2 classes in Commerce stream.

(h) Infrastructural development must be given time bound attention so that new courses can successfully be started in new session.

Three after everyone expressed happiness on this information that IGNOU Exam Centre was also allotted to our IGNOU Regular Study Centre-2277.

12- Reginder Singh
A meeting of IGAC, GHG Khalsa College
Guru Nanak Sadhar (Dirl. Ludhiana) was held on 24-08-2019
in the IGAC office under the chairmanship of Principal
Prof. Jaswant Singh. Minutes of the last meeting held on
06-04-2019 were read out and confirmed.

Thereafter the following suggestions and points were
discussed:

1) The first and important suggestion made by IGAC
   is to introduce more vocational and job oriented programmes
to make the youth workable according to the modern needs.

2) It was suggested to the college authorities that
   special faculty development programmes be conducted to make
   the faculty more advanced in the field of E-Teaching and
   Learning.

3) It was also suggested that the area of influence
   of E-governance be further increased and it should be
   implemented in other areas besides the fee collection and
   office work, so that the system can be made more transparent
   by using the new technology and proceed firmly towards
   the paper-free office.

4) It has also been specifically suggested that special
   emphasis should be continued on programmes and
   arrangements for green environment and energy conservation
   in the college campus.

5) It was suggested that more and more programmes
   should be organised to create awareness about
   women empowerment.
6) It was also suggested that a Research Section be launched in the college magazine ‘Gurusan’ to promote research activities among faculty and students and to provide a platform for their efforts.

7) Another special suggestion from the IIGAC was that more and more Personality Development programmes and finishing programmes should be conducted for the students so that the youth can get ready to enter the field of life.

8) A suggestion was also made that an Employment Exchange be set up in the college so that students who have passed degree can also get the benefit of campus placement drives.

9) IIGAC heartily praised the achievements of the college at the national and international levels in sports. In order to give more and more national and international exposure to the local players, it is suggested that efforts should be made to call the government- non government organisations to promote sports.

10) A suggestion was also made that special events such as seminars etc. be organised to commemorate the 550th birth anniversary of Sri Guru Nanak Dev Ji.
Minutes of the IQAC Meeting

Dated – 24 August 2019

1. The first and important suggestion made by IQAC is to introduce more vocational and job oriented programs to make the youth workable according to the modern needs.

2. It was suggested to the college authorities that special faculty development programs be conducted to make the faculty more advanced in the field of E teaching-learning.

3. It was also suggested that the area of influence of e-governance be further increased and it should be implemented in other areas besides the Fee Collection and office work, so that the system can be made more transparent by using the new technology and proceed firmly towards the paper-free office.

'Personality Development Training Programme' (02/03/2020 - 05/03/2020)
Dear Faculty Members,

Greetings to all,

Teaching profession has a sense of huge responsibility attached with it. For Teachers are the 'Covens' of a Nation's destiny. Continuous updation of skills and enhancement of knowledge is ever impelling upon the teachers as the globalization of education has brought with it new issues and challenges. Technology invaded the traditional classroom decades ago and blended mode of teaching gained momentum. Pre-service and in-service teacher training courses have been laying a great thrust upon ICT integration in the classroom.

New situations bring about new challenges and in the wake of this extreme wave of threat posed by the COVID-19 pandemic, a sudden revolutionary shift from a traditional four-walled classroom to a virtual classroom has become inevitable. In the wake of this, the teachers have been left with a laptop/tablet in their hands as the only tool with which they can teach.

The need of the hour is to go beyond the virtual classroom. Equipping ourselves with ICT tools and to deliver the best knowledge in the most convenient and suitable way.

Objectives of the Faculty Development Programme

1. To support the faculty with timely professional development that connects technology with learning, as well as provide ready access to a full range of state-of-the-art tools.
2. To streamline student learning and fosters creativity, collaboration, and communication beyond the classrooms.
3. To modify instructional practices of teachers to consistently and effectively integrate technology into their Instructional practices.
4. To meet the curricular needs of all learners and to provide electronic access to curriculum.
5. To provide skills and proficiencies necessary for the workforce.
6. To improve the effectiveness of administrative tasks.
7. To collect, assess, and share performance information and feedback for continuous appraisal and improvement of the educational system of the nation.
8. To deliver the best education defeating the challenges posed by the pandemic.

'Integrating Technology in Classroom Teaching and Learning'

(26/06/2020 - 03/07/2020)
Faculty development programme

GHG Khalsa College, Gurusar Sadhar, organised a week-long online national faculty development programme (FDP) on the theme ‘Integrating technology in classroom teaching and learning’ under the motivation and guidance of chief patron S Manjit Singh Gill and convenor S S Thind. The FDP aimed to provide the knowledge and skills needed by the teachers to cater to the present-day teachers and their learning styles. In this FDP, nationwide renowned resource persons, principals and faculty members participated and shared their knowledge on ICT tools and techniques. The FDP was inaugurated by principal prof Jaswant Singh, Degree College, principal Pargat Singh A, Education College and principal Satwinder Kaur, Pharmacy College. The key address was delivered by Pargat Singh while the theme of the FDP was elaborated by Mandeep Kaur Kochhar, vice-principal, Bombay Teachers Training College, Mumbai. The resource persons gave hands-on training on latest tools like Google Drive, Google Calendar, Google Forms, Google Certificates, Canva, Active Presenter, Podcasts, Kahoot, Mind Maps, Zoom, Moodle, Testmoz and Google Classroom. The report of the FDP was presented by prof Aarti Sharma while the vote of thanks was given by Satwinder Kaur. The concluding address was delivered by Jaswan Singh. The FDP was successfully organised due to the efforts of technical coordinators and members of the organising committee.
