Subject: Zing 'n' Zeal - 2022- An Inter-school Multi-Talent Show: Invitation Dear Sir/Madam,

Reading books can help enhance one's degree of knowledge, but knowledge's utility is found in its application. An engineer cannot build a fighter jet solely by reading books; he or she must improve their "skills" in order to do so. In all professions and jobs, this is true. As a result, it's critical to encourage pupils to focus on various aspects of their personality. To engage students in creative and logical thinking, we are hosting this event so that your children can participate in a variety of academic, literary, technical, creative arts, and cultural events in order to help them develop the necessary abilities.

DATE OF THE EVENT - 14 OCTOBER 2022, FRIDAY

Kindly find attached a confirmation of participation proforma also to send your entries.

We are confident that the children will gain valuable experience by participating and competing in various competitions, since they have been invited from a variety of schools. The students will be well served with so many rewards and medals to compete for. We'll make sure the students are released at 2.30 p.m.

The campus, just 20 minute drive from Ludhiana, is at situated on Ludhiana-Mullanpur-Raikot Road and is easily approachable by public bus service also.

Certificates to last session winners and participants will also be given as it was held online.

The details are also available on our institute website www.ghgcollegesadhar.org. For more inquiries, you may kindly contact at Prof. Inderjit Singh (Ph. 9501032805), Dr. SK Gupta (Ph. 9501028287), Dr. Rajinder Sahil (Ph. 9417276271) and confirm your participation by sending an email at ghgkcgs@gmail.com

Looking forward to the enthusiastic participation of your team, Thanks and Regards

Dr. Harpreet Singh Principal ESTD. 1948
