OUR CHIEF GUEST

Lt. Gen. Surinder Singh, AVSM, VSM
General Officer Commanding-in-Chief, Western Command
It is an honoured privilege and pleasure for G.H.G. Khalsa College, Gurusar Sadhar, District Ludhiana to extend a hearty welcome to Lieutenant General Surinder Singh, General Officer Commanding-in-chief, Western Command, who has spared valuable time out of his busy schedule and professional responsibilities to grace the Annual Prize Giving Function as our worthy Chief Guest. I also extend a warm welcome to S. Manjit Singh Gill, President Governing Council, other office bearers and members, respected guests and invitees, members of the faculty and the students who have come to participate in this function.

Lieutenant General Surinder Singh was commissioned into the 2nd Battalion, Brigade of the Guards in 1979 and later commanded the same unit. He is an alumnus of National Defence Academy, Pune, and a graduate of Staff College at Camberley in UK, the Higher Command course at Mhow and the National Defence College course at Delhi. In a distinguished military career spanning near four decades, he has held important command, staff and instructional appointments in active counter-insurgency and operational environment including staff appointments in Military Operations Directorate and the Perspective Planning Directorate at the Army Headquarters.

He has vast experience in operational logistics and has held key logistic appointments on the western front. He has also served with the UN peacekeeping force in Liberia. He has commanded an armoured brigade, an infantry Division in a Strike Corps and an operationally committed corps in the Eastern Theatre prior to taking over the Western Army. He is recipient of AVSM and VSM awards for his distinguished service to the nation. He is the 'Colonel' of the Brigade of Guards.

I feel great pleasure that such a dedicated and decorated army officer has spared his valuable time to be with us. Sir, I am very sure that your radiant personality will inspire our students to excel in various fields of life with a mission and commitment. I extend you a warm welcome.

COLLEGE HISTORY

G.H.G. Khalsa College, Gurusar Sadhar has the benign blessings of Guru Hargobind Sahib, who spent some precious and significant moments of his life here. This place, where now we have the magnificent edifice housing the college, was a waste stretch of land till 1920. But with the Almighty’s blessings in 1921, Nihang Shamsher Singh Ji, a great devotee of Guru Sahib, had a visionary dream and established a “Gurmukhi Pathshala” which he used to call a ‘college’. Miraculously, Nihang Ji’s blessings worked wonders and, in 1948, Guru Hargobind Khalsa College, Gurusar Sadhar came into existence as a degree college. The purpose behind its establishment was to cater to the demand for higher education of rural students. The college motto is “Simple Living and High Thinking”.

Presently, this great institution of higher education, which is known as “A Wonder in Rural Setting” has about three thousand students on its roll, studying in multi-faculty, graduate and post-graduate classes. The sprawling college campus spread on about thirty acres of land consists of Nihang Shamsher Singh Hall, Nihang Shamsher Singh Stadium, Sardar Sardara Singh Sports Complex, Six-a-Side Hockey astro-turf, state-of-the-art indoor shooting range and indoor multipurpose gymnasium, Dhillon Open Air Theatre, Faculty Houses, Guru Hargobind Boys' Hostel, Mata Ganga Girls' Hostel, Student Center, a well-stacked Library, up-to-date Laboratories, a beautiful administrative block, an ultra-modern Seminar Hall. The college campus has all modern infra-structures of instruction and education. In fact, the whole complex is a treat to the eyes. Pollution free atmosphere, sprawling grounds, beautiful lawns with flowers, plants and trees and a colourful fountain further enhance its beauty and grandeur.

Keeping in view the changing educational scenario, the college made a steady but tremendous progress. Initially, only conventional subjects of science and arts streams were offered, but with the passage of time, advanced subjects in science and technology and vocational training were introduced.
In 1982, B.Com. was introduced and M.A. English was re-introduced. By establishing a Computer Centre in 1990, the College got the distinction of being the first in the Panjab University. In 1994, vocational courses like “Computer Applications” and “Industrial Fish and Fishery” were launched. In 1997, “Computer Hardware and Maintenance Certificate Courses” under Punjab Consumer Electronics Limited were introduced to benefit the rural girls and economically poor women. In 1998, B.C.A. made entry while in 1999, subjects of Psychology and Public Administration were made available. In 2001, M.Sc. (IT) and P.G.D.C.A. courses were started. In 2006, M.Sc. in Math was started and in 2007, the prestigious course of B.Sc. in Bio-Technology was introduced. From the session 2009-10, the college started new courses of M.Sc. (Chemistry) and M.A. (History). In 2011 we started a new vocational course “Computer Based Accounting.” During the session 2014-15 M.Sc. (Physics), M.A. (Punjabi), M.Com., B.Com. 2nd unit, BBA, & Music (Vocal) Subject were introduced. In the year 2016 several new courses were started like B.P.Ed., B.Voc (Food Processing & Quality Management), B.Voc (Medical Lab) Technology and an integrated B.A. + B.Ed. (four years) course was also introduced. We are going to start two-year M.P.Ed. degree course in this session. As far as the infrastructural development is concerned, recently one multi-purpose indoor gymnasium & indoor shooting range has also been added. The college has a fleet of seven buses for the girl students. The college is thus making a steady and tremendous progress under the able and judicious guidance of Sardar Manjit Singh Gill, President, College Governing Council, who is an educated, versatile and dynamic personality with a deep & far-sighted vision.

A PEEP INTO THE COLLEGE LIBRARY

The library building of the college is a marvel and a masterpiece of architecture. The library has an abundant collection of more than 50,000 books and other reading materials. Related to different subjects, 62 Journals and 51 magazines are being subscribed in the Library. 17 newspapers in three languages viz. Punjabi, Hindi and English are daily available for its readers. Library has a distinguished section on competitive books, braille books, CDs and DVDs. There is a Resource Room in the Library having bound volumes of back journals since 1949. Two separate reading halls for girls and boys and a reading section for faculty members are available in the library. One lakh e-books and 6000 e-journals are being accessed and used by the students and faculty members through INFLIBNET N-List Programme. From the session 2015-16, Best Library User Award is being given to a girl and a boy student separately. Library is also a member of British Council Library. The library is fully computerized and its operations are being done with the help of LIBMAN and OPAC technology.
BOOK BANK
To cater to the need of SC/ST and economically weaker students, a Book Bank was established in 1976 with the financial assistance of University Grants Commission (UGC). Sufficient numbers of books are being acquired from time to time in this book bank.
